

## T-SHIELD SECURITY FENCE PANEL, 3.4 X 2.4M

**T-Shield** is a **3.4m high, heavy-duty security fence** designed for **festivals, concerts, and sporting events**. With **reinforced bracing and expert installation**, it provides **fast, secure perimeter control**.

**SKU:** 1014081.00 | **Categories:** [Crowd Control](#), [Heavy Duty Solid Fencing](#)

## PRODUCT DESCRIPTION

The **T-Shield Security Fence** is a **high-strength, 3.4m high security barrier** designed to provide **maximum protection** for **large-scale events** such as **festivals, concerts, and sporting venues**. Engineered for **stability and efficiency**, this **heavy-duty fencing system** features **reinforced bracing, extended ground stakes, and expert installation**, ensuring a **secure perimeter** in **minimal time**.

The T-Shield is one of the tallest fences in its category, which is ideal for **restricting unauthorised access** while maintaining **aesthetic appeal**. Our **specialist event team** can **install up to 1000m per day**, securing your site **quickly and efficiently**.

For **event branding or privacy**, the panels are guaranteed **clean and advertising-free**, making them perfect for **premium event spaces**. The fence is available in a **Juniper Green finish**, blending seamlessly with **parkland or green field sites**.

With **unmatched durability, expert installation, and flexible access options**, **T-Shield** is the **premium choice for event organisers** seeking a **secure, high-performance fencing solution**.
