Mobile fence for fencing/securing events of all kinds.

**SKU:** 1000034.00 | **Categories:** [Temporary Fencing](#)

## PRODUCT DESCRIPTION

With a total stock of over 60 kilometers of mobile fence/event fence (lightweight version) with close mesh and anti-climb protection, we have one of the largest rental stocks.

n

nOur mobile fence is suitable for all types of short-term barriers at events of all kinds (festivals, concerts, sporting events, etc.)

n

nWhether it is a parking lot, entire festival or camping areas or to secure an event area - our mobile fence has already proven itself thousands of times.

nOur standard model made of hot-dip galvanized metal has a strut spacing of 5cm, is anti-climb and weatherproof and ensures that uninvited guests stay outside.

n

nVARIANTS:

nIf you need special screening, our mobile fence is also available with privacy screens (white or black) for opaque fencing of sanitary, backstage or production areas. For our mobile fence panels you will also find labelled banners in our shop to mark emergency exits and escape routes, for example, or to indicate first aid stations or prohibited items.

n

nACCESSORIES:

nAvailable as accessories: gate rollers, storm anchors, anti-lift devices, safety clamps, safety supports, mobile fence feet (concrete or recycled)

n

**nPlease note: Our mobile fence is particularly designed for quick assembly and dismantling in large quantities, such as as fencing for festivals, festival campsites, etc. and is NOT suitable for long-term use on construction sites.**
