

FOLDING ROLLING CLOTHES RAIL, ADJUSTABLE HEIGHT & WIDTH

Portable clothes rail with adjustable height (100–150cm) and extendable bar (79–140cm). Foldable with wheels for easy transport and setup.

SKU: 1000394.00 | **Categories:** [Clothes Rails, Coat Stands & Hangers](#), [Event Furniture Hire](#)

PRODUCT DESCRIPTION

The Folding Rolling Clothes Rail is the perfect portable wardrobe solution for events, backstage areas, or quick costume changes. Built with a sturdy metal frame and four smooth-rolling wheels, this rail ensures effortless mobility and stability, even in high-demand environments.

With an adjustable height range of 100–150cm and an extendable bar length of 79–140cm, it accommodates various garment sizes and volumes. The tool-free assembly and compact foldable design make it ideal for touring events or venues with limited storage space.

Whether used in dressing rooms, quick-change stations, or coat check areas, this versatile clothes rail combines practicality, durability, and efficiency, making it an essential for any event.
