PRODUCT DESCRIPTION

The timeless sophistication of the Cigar Lounge Armchair evokes the appeal of a classic gentleman's club or an elegant country house lounge. With its deep seat, high backrest, and delicately flared armrests, this one-seater armchair provides guests with comfort and support. Because the brown leather is fully dyed, it gets a beautiful aged patina that enhances its vintage look.

The armchair is a great complement to VIP lounges, business receptions, artist dressing rooms, and small event spaces because of its superb craftsmanship and sturdy oak frame, which guarantees stability and longevity. Whether you use it alone or in combination with the Cigar Lounge Sofa, this chair gives a warm and inviting atmosphere to formal events.
