SKU: 1002273.00 | **Categories:** Event Furniture Hire, Sofas and Armchairs

PRODUCT DESCRIPTION

The Splitback Armchair is a great option if you want to give your event rooms a modern Scandinavian flair. Famous Danish designer Per Weiss created the one-seater chair, which is ideal for lounges, VIP event spaces, and artist dressing rooms because of its simple design and multipurpose use that effortlessly combines comfort and flair.

Its design is straightforward in every aspect. Its cleverly constructed trapezoidal backrest may be adjusted to three different positions: complete reclining, casual lounging, and upright sitting. While the elegant chrome base of the Splitback Armchair lends a touch of refinement to any area, the roomy seat and high-quality cushions provide maximum comfort.
