PRODUCT DESCRIPTION

The Banquet Chair, available in black or blue upholstery, offers a versatile and comfortable seating solution for conferences, seminars, and corporate events. Featuring a padded seat and high backrest, this chair ensures attendees stay comfortable throughout long sessions. Its fire-resistant materials meet safety standards, making it a reliable choice for large venues and professional settings.

Designed with convenience in mind, this chair is stackable for easy storage and includes row connectors on both sides, allowing for neat and organised seating arrangements. With its durable construction and elegant design, the Banquet Chair is suitable for both formal and informal event setups. Choose from black or blue upholstery to complement your event's theme or colour scheme.
