PRODUCT DESCRIPTION

The Splitback Table series is an ideal addition to lounges, VIP event spaces, and artist dressing rooms as it skillfully combines style and efficiency. These tables, which are backed by sleek chrome sled legs and have a high-gloss lacquered surface in either black or white, are the epitome of contemporary sophistication.

Available in two flexible sizes, the rectangular 100 cm x 60 cm coffee table provides a wider surface for different uses, while the square 60 cm x 60 cm side table is perfect for small areas.
