ILLUMINATED MAKEUP MIRROR COMFORT, FREESTANDING, BLACK

Freestanding illuminated makeup mirror with a sturdy base and sleek black frame. Ideal for dressing rooms, artist lounges, and professional makeup application.

SKU: 1002358.00 | **Categories:** Event Furniture Hire, Standing & Makeup Mirrors

PRODUCT DESCRIPTION

The Illuminated Makeup Mirror Comfort is a professional-quality mirror designed for backstage areas, artist lounges, and VIP dressing rooms. Its sleek black frame and integrated soft-glow lighting offer perfect illumination for precise makeup application and grooming, ensuring performers and guests are always event-ready.

This freestanding mirror features a robust base for secure placement on flat surfaces, providing stability and safety during use. It connects easily to a standard 230V power supply, offering reliable performance for any event. To simplify transport and storage, the mirror comes delivered in a durable rolling case, protecting it from damage during transit.

Whether for stage performances, corporate events, or high-profile dressing areas, this illuminated mirror combines practicality with sophisticated design to elevate any space.
