PRODUCT DESCRIPTION

The Splitback Sofa is the ideal example of Scandinavian design's clean lines, versatility, and outstanding comfort. This three-seater, created by renowned Danish designer Per Weiss for Innovation Living, is perfect for lounges, VIP areas, business meetings, and artist dressing rooms.

With its independent split backrests and three seating configurations (upright, lounging, and fully reclined), this sofa offers the maximum adaptability to meet different event needs. The large seat depth and substantial cushioning offer optimal comfort, while the sleek chrome base adds a contemporary appearance.

High-quality leather and fabric finishes, such as grey, blue, dark grey, brown, and black or white leather, are available for hire. The Splitback Sofa easily blends into many kinds of event styles. Combine it with the coffee table or splitback armchair that go well together to create a coordinated seating arrangement that brightens any space.

This sofa's elegant and robust design makes it ideal for hectic event spaces. Additionally, it will offer the highest level of comfort and style to visitors.
